## **Experienced Rifle Wanted**

Seasons are extensive and work would be scheduled from late April until mid-June, mid-September to mid-October and then from the last week of October until the end of November. ## Portable Cabins

A great alternative to tents, portable cabins provide great bear resistance and don't flap in the wind or leak in the rain. Cabins are built to order. A trailer or rack can be added depending on your needs. Trailers are designed to be pulled behind a quad much like a large tub trailer (I pull mine 15 km off the main road for moose camp no problem). Racks are perfect for second cabins or camps that you can drive into with a truck.

Cabins will come with:

- 3 windows, 2 of which will open and have screens
- Wood stove
- Wall panel designed to safely handle the stove pipe
- Roof tarps
- Door
- 2 corner shelves
