Help Wanted

Experienced Rifle Wanted

Looking for an experienced rifle in good condition and suitable for hunting deer, moose, and elk (I believe a .308 WIN for caliber is good for these species). I am just starting hunting and don't want to dive into the deep with investing in a brand-new rifle just yet. A left-handed rifle is preferable, but right-handed will do just fine as well. Call Sander at 780-915-2737, if you can help me on my first hunting season.

We are looking for an experienced camp cook to join our team. Seasons are extensive and work would be scheduled from late April until mid-June, mid-September to mid-October and then from the last week of October until the end of November. Skills/Requirements:

- Be able to work independently without supervision
- Be proficient with all meals throughout the day including desserts
- Be able to work in a busy environment
- Be experienced with creating high end well seasoned meals suitable for the standards required

- Be prepared to take on other tasks as required in support of the overall team

Portable Cabins

A great alternative to tents, portable cabins provide great bear resistance and don't flap in the wind or leak in the rain. Cabins are built to order. A trailer or rack can be added depending on your needs. Trailers are designed to be pulled behind a quad much like a large tub trailer (I pull mine 15 km off the main road for moose camp no problem). Racks are perfect for second cabins or camps that you can drive into with a truck.

Cabins will come with:

- 3 windows, 2 of which will open and have screens
- Wood stove
- Wall panel designed to safely handle the stove pipe
- Roof tarps
- Door
- 2 corner shelves

Cabin Prices

Size (w x l x h)	Price	Best Use
